

## EVENING INSIGHTS

# Countertop Talk: Which Countertop is Right for You?

Join us to explore a diverse range of countertops and surfaces available for kitchens and beyond.

Our expert facilitator will guide you through a selection of natural and engineered stones, to showcase the colors and patterns of granite, quartz, marble, soapstone and more. Discover the unique features, benefits, and maintenance tips for each option. Beyond the kitchen, imagine incorporating these materials into other areas of your home, from bathrooms to outdoor spaces.

Whether you're planning a renovation or simply looking to update your space, this event will provide valuable insights and inspiration.
